

UNIVERSITY OF CALIFORNIA, SANTA CRUZ

TECHNOLOGY AND INFORMATION MANAGEMENT

Ongoing Lecturer Pool #T07-11

The [Baskin School of Engineering](#) at the University of California, Santa Cruz invites applications for an ongoing pool of qualified temporary instructors for the [Technology & Information Management](#) (TIM) program. Technology & Information Management includes: all areas of Technology & Information Management; Systems on the boundary between technology and business, including but not limited to IT Management: e-business, multi-agent systems, mechanism design; data warehousing and data mining; decision support systems, network management; Internet and intranet tools; distance learning; computer-based process reengineering and the competitive use of information systems. Outstanding candidates with experience to teach courses in one or more of the above areas are encouraged to apply.

The campus is especially interested in candidates who can contribute to the diversity and excellence of the academic community through their research, teaching, and/or service. Compensation includes salary only. Appointments are temporary positions with end dates and generally made one quarter at a time, based on the changing curricular needs of the department.

RANK: Lecturer

SALARY: Salary is commensurate with qualifications and experience. Estimated range of \$5,500 to \$8,500 per course.

MINIMUM QUALIFICATIONS: M.S., Ph.D., or equivalent in Information & Technology Management or closely related field and demonstrated potential for university teaching.

POSITION AVAILABLE: As openings occur

APPLY TO: Applicants should send a letter of application which includes description of courses qualified to teach, curriculum vitae, evaluations of teaching (if available), sample course materials – syllabi, handouts, etc. (if available), and names of three people willing to write letters of recommendation to:
