<u>Last Name</u>		<u>Degree/Date</u>	<u>Status</u>	<u>Comments</u>
Billardello World History	Daniel	PhD 2001	Alternate	Area of specialty and interests fit ideally with advertised position Letters of recommendation very good **Did not interview alternates** #2 Alternate - should we need to continue to interview after Alternate #1 - this is our second choice
Cassellroy World History	Pamela	PhD 2005	Interview	Area of specialty and interests fit ideally with advertised position Letters of recommendation outstanding Publication record judged outstanding Interviews Very Good Seminar rated as outstanding, great promise of teaching, not as strong on the grasp of subject matter as #1 selected candidate #2 selected candidate - if #1 selected candidate declines, this person will be proposed as next selected candidate

<u>Last Name</u>		<u>Degree/Date</u>	<u>Status</u>	<u>Comments</u>
Kurtzheimer	Joaquin	PhD 2003	Alternate	<p>Area of specialty and interests fit ideally with advertised position Letters of recommendation very good Publication record judged to be very good</p> <p>**Did not interview alternates**</p> <p>#1 Alternate - will be interviewed first if needed, after the list of interviewees has been exhausted</p> <p>This alternate was ranked first as their publication record was judged better than alternate #2</p>
Wong	Shelly	PhD 2002	Selected Candidate	<p>Area of specialty and interests fit ideally with advertised position Letters of recommendation outstanding Publication record judged outstanding</p> <p>Interviews Very Good Seminar rated as outstanding, great promise of teaching. Excellent grasp of subject matter</p> <p>#1 Selected Candidate - their knowledge of the subject matter was particularly extensive - therefore this is our proposed first choice selected candidate</p>
