Dear Colleagues:

RE: Revised Academic Personnel Policy – University Professor (CAPM 508.260)

Enclosed is the revised campus policy for the title, "University Professor," which is effective immediately. The title University Professor is reserved for scholars of the highest international distinction who are recognized and honored as the top scholars on their campus and are respected as teachers of exceptional ability.

This policy has been revised consistent with the changes to the systemwide Academic Personnel Manual (APM 260) as amended on September 22, 2005. These changes were intended to clarify usage of the title, criteria for appointment, conditions of employment, funding, and the procedure for appointment.

The systemwide and campus policies may be found online at:
